

## Cataloguing Section 2019-2023 candidates' profiles

Name	Title	Institution	Country	Brief summary
Christian Aliverti	Head of the Section Bibliographic Access	Swiss National Library	Switzerland	I am a trained librarian with over twenty years experience in cataloguing and authority control. I am head of the Bibliographic Access Section of the Swiss National Library since 2008, and a member of the Management Board. I represent the library in Standards Committees for German speaking countries. I am active in RDA in Switzerland and at the European level (EURIG Editorial Committee), writing articles and giving presentations in German and English. I teach principles of cataloguing to master students at the University of Zurich. I have attended SC Cataloguing meetings as an observer since 2014 and now wish to take an active part in the Committee to develop and maintain standards and guidelines in the field of cataloguing.
Petrona Alvarenga	Licenciado en Bibliotecología	Biblioteca Nacional del Paraguay	Paraguay	Licenciada en Bibliotecología por la Facultad Politécnica de la Universidad Nacional de Asunción. Especialista en Gestión Documental y de Archivos por la Facultad Politécnica de la Universidad Nacional de Asunción. Actualmente Jefa del Departamento de Procesos Técnicos de la Biblioteca Nacional del Paraguay. 28 años de antigüedad en el proceso de catalogación, clasificación y asignación de materiales bibliográficos y audiovisuales de la Biblioteca Nacional del Paraguay. Participación en la elaboración de proyectos para la Biblioteca. Elaboración de catálogos bibliográficos nacionales.
Andrea Blondeau	Librarian	CENTRO M DICO MAR DEL PLATA/ UNIVERSIDAD NACIONAL DE MAR DEL PLATA	Argentina	I GRADUATED IN 2011 AND MY TITLES ARE: BIBLIOTECARIA DOCUMENTALISTA PROFESORA EN BIBLIOTECOLOGÍA Y DOCUMENTACIÓN ACTUALLY I'M TEACHING IN THE UNIVERSIDAD NACIONAL DE MAR DEL PLATA. THE TOPICS THAT CM TEACHING ARE: RDA DIFFERENCES BETWEEN RDA Y AACR2 CATALOGING OF SPECIAL MATERIALS (BOOKS, SERIALS, MUSIC, ETC) ALSO, FM WORKIN IN A MEDICAL LIBRARY (CENTRO MÉDICO DE MAR DEL PLATA). THERE, WE COOPERATE WITH BIREME (BIBLIOTECA VIRTUAL EN SALUD) INDEXING THE JOURNAL: INSUFICIENCIA CARDIACA

Juliana Borges Cid Taboada	Librarian	Brazilian National Library	Brazil	I am graduated since 2014 in Librarianship at the Federal University of the Estate of Rio de Janeiro (UNIRIO). I have worked at the National Museum of Fine Artes (Rio de Janeiro), at Casa Daros Rio, at the National Centre of Folklore and Popular Culture (Rio de Janeiro) and, finally, nowadays I work at the Brazilian National Library, in the Section of Descriptive Representation. I am involved with cataloguing subjects and I am always interested to improve and contribute to this area. I expect to work collectively at IFLA to provide the development of cataloguing and to fulfill current demands in this subject.
Vincent Boulet	Head of authority control	Bibliothèque nationale de France	France	I have expertise in the field of authority control and controlled vocabularies, either in a national perspective, or in the international one (as a VIAF Council chair for 2019-2020, and as a member of ISNI international board). At the BnF, I'm managing a team consisting of 24 people in charge of piloting the quality control processes and implementing national and international projects for authority data (for instance : developing data flows and exchanges with publishers based on ISNI, managing the project of setting up a French national entity file, remodelling subject headings in order to make them visible by search engines and usable by semantic Web technologies, taking part in the next generation working format and cataloguing tool...). Moreover, I'm already familiar with the IFLA work, as a member of the Bibliography section (2011-2015) and Cataloguing section (2015-2019), and as a member of the ISBD review group. I've presented some papers in the WLIC open sessions and I chaired the cataloguing section open session in the 2018 WLIC. So, I can contribute in several points of the Cataloguing section working plan in order to adapt IFLA cataloguing standards and guidelines to the new information environment, data exchanges and new technologies.
Gordon Dunsire	Independent Consultant	Independent Consultant	United Kingdom	I am an international expert in the development and application of cataloguing standards and linked data. I am outgoing Chair of the RDA Steering Committee and will continue as RSC Technical Liaison Officer. I am the liaison from the RSC to the Bibliographic Conceptual Models Review Group, and a member of the ISBD Review Group and ISBD Linked Data Study Group. I will complete two terms as a member of LIDATEC in 2019. I contribute regularly to WLIC, and make contributions to international conferences and journals.

Oscar Eliel	SISTEM OF LIBRARIES'S ASSOCIATED COORDINATOR	UNIVERSITY OF CAMPINAS	Brazil	I worked as director of cataloging of the Libraries System of Unicamp for 8 years. Unicamp is the Latin American University that has grown and gained prominence in the last years.
Karina Esman	lead librarian cataloger	The National Library of Russia	Russian Federation	I work in the National Library of Russia in the Cataloguing Department. Cataloguing is the spere of my interests and professional activities. I am engaged in cataloguing books and periodicals, as well as cataloguing publications on CD. I have experience in organizing and conducting methodological and educational seminars for libraries of the Russian Federation
Mikhail Grankin	Senior bibliographer, Cataloguing department	Russian State Library	Russian Federation	Mikhail Grankin has a Master's degree in International Economy Law. Since 2016 has been working at the Russian State Library in the Cataloguing Department. As part of his duties, Mikhail creates bibliographic description of documents in the ALEPH system and MARC-21 format, in charge of cataloging fiction, educational and scientific literature in Russian and European languages, as well as Gothic, organizes card and electronic catalogues.
Nadia Karachodzhukova	Ph.D. Candidate	Department of Library Science, Scientific Information and Cultural Policy, Sofia University "St. Kliment Ohridski"	Bulgaria	Before starting my Ph.D. studies in 2017, I have been with the Bulgarian National Library since 1986. I have been with its Cataloging Department for over 20 years and its Head in the period 2008 - 2010. In the period 2010 – 2016, I was Head of the COBISS Center of the National Library. I was also Head of the National Library Commission on Cataloging, contributing to the development and application of cataloging rules and standards and a range of instruction materials on cataloging. As a Ph. D. candidate, I continue my research in cataloging. I am interested in developing the processes of cataloging and believe that, with my knowledge and expertise will be able to contribute to the theory and practice of cataloging.

---

Karin Lodder-Scheffer	Head Digitisation and Document Processing	KB   national library of the Netherlands	Netherlands	My department at the KB is responsible for all bibliographic metadata business, including vision and strategy. The KB is in a transition towards IFLA/LRM. Participating in the Cataloguing section gives opportunity to learn from colleagues, to ask questions but also to bring our experiences in this transition. In this way we can contribute to international metadata business and as a national library we feel that is our assignment.
Susan Morris	Special Asst. to the Director, Acquisitions and Bibliographic Access	Library of Congress	United States	I shall complete my first term on the Cataloguing Section Standing Committee in 2019. I write the semiannual Library of Congress reports for the IFLA Metadata Newsletter. I have 20 years' experience as a hands-on cataloguer of music scores and manuscripts and textual materials in English, French, and German. I was the document editor for the report of the US RDA Test Committee, and currently I serve on the BIBFRAME Steering Committee. I am the Library of Congress survey coordinator for the Association of Research Libraries (U.S.). I hold a bachelor of arts degree from Bryn Mawr College and a master of science degree from Drexel University, both in Pennsylvania. Currently I serve on the management team for the Library of Congress Acquisitions and Bibliographic Access Directorate. Serving on the Standing Committee: Cataloguing is an enormous privilege that I take very seriously as an opportunity to further the profession of librarianship and to enhance the role of cataloguing in the worldwide information environment.

Rania Osman	Head of Libraries of the Future Section	Bibliotheca Alexandrina	Egypt	<p>My responsibility as the Head of Libraries of the Future Section is to plan, develop and implement Arabic bibliographic tools and standards that suit the needs of Arab library professionals following the international guidelines and standards. The section is charged to develop bibliographic tools to standardize the Arab librarianship practices and help organize and share the Arab intellectual production. The IFLA cataloguing Section fall within our area of interest. I have 17 years of experience in relevant work areas including; cataloguing, classification, authority files, and different integrated library systems like VTLS and Sierra, extensive knowledge in the international and local bibliographic standards such as RDA, MARC 21, BIBFRAME, AACR2, LCSH, LCCS, OCLC, LC cataloging practices, and other appropriate cataloguing and metadata standards. In October 2014, Obtained a Master of Library and Information Studies degree from University College London (UCL), London. Currently responsible for many translation projects; developing Arabic versions of the 23rd edition of DDC and the five formats of MARC 21 and recently developing an Arabic version of the RDA Toolkit. Joining the IFLA Cataloguing Section will help me keep updated about developments in these areas, share our work, and integrate the Arab vision in the universal bibliographic control.</p>

Ricardo Santos	Head of Technical Services Department	National Library of Spain	Spain	Head of Technical Services Dept at National Library since 2017. This department oversees the cataloguing of modern books, and produces the cataloguing guidelines for the library. Before that, head of Authority Control at the library for 10 years. Also involved in VIAF Council as a rep for the library
Katarina Synnermark	Librarian	National Library of Sweden	Sweden	I have been cataloguing for the National Bibliography at the National Library of Sweden for 15 years. Between 2010 and 2014 I was the Swedish ISSN Director. I was responsible for the RDA implementation in Sweden 2014-2016 and now I am a member of the Swedish RDA editorial board and also chair of the Swedish RDA Committee. I represent the National Library of Sweden in EURIG. I have been training cataloguers in KRS (the Swedish version of AACR2) and RDA. Lately I have been engaging with the issue of using RDA in Bibframe at the National Library of Sweden.
Ana Vukadin	expert associate for metadata standards	National and University Library in Zagreb	Croatia	I work as an expert associate for metadata standards at the Croatian Institute for Librarianship at the National and University Library in Zagreb. My areas of interest and expertise include conceptual models and standards for describing cultural heritage materials, authority control and semantic interoperability. I have published several scientific and professional papers on these subjects in Croatian and foreign journals and proceedings. I participate in the project of the development and maintenance of the Croatian cataloguing code based on new IFLA bibliographic conceptual models (as the main editor). I am a member of IFLA professional bodies Bibliographic Conceptual Models Review Group (BCM Review Group) and Linked Data Technical Sub-Committee (LIDATEC).
