[1] Report on 2004 CIP survey: http://archive.ifla.org/VII/s12/pubs/s12-Survey-National-CIP-Programs.pdf

[2] Answer is "yes", interpreted to mean the NBA manages CIP

[3] CIP created by National Library and by the Biblioteca Luis Ángel Arango

[4] CIP limited to publications of select government agencies

[5] CIP coordinated by NBA

[6] Kirjavälitys (a logistic service provider for books) provides pre publication metadata

[7] The New Release Service is supplied by the Verzeichnis Lieferbarer Bücher (German Books in Print, VLB), pre-publication service, not typical CIP

[8] From other sources, confirm Korea has a CIP program, created by NLK

[9] Answered: There is no relationship to CIP programme.

[10] Prepublication records are not included in the national bibliography since 2018

[11] Left blank, but in 2004 no CIP

[12] In cooperation with the Library of Matica srpska from Novi Sad for the region of Voivodina
